“Every wedding is unique”

INTIMATE RECEPTIONS

..are really special at Lake Vyrnwy. We will only ever have one wedding a day to ensure you and your guests have the best wedding day experience.

On your special day our dedicated and professional team will be on hand to ensure that everything runs as smooth as clockwork.

So whether you choose to have an intimate reception for a couple of dozen of your closest friends and family, a party for everyone who knows you – or even decide to take over the Hotel for exclusive use, you'll enjoy the same warm welcome, the same attentive service and the same reassurance that yours is the only wedding at Lake Vyrnwy on the day.

A PLACE TO PARTY

Our private suite can easily accommodate receptions for 300 guests and provides the flexibility to enable your imagination to run wild.

There's plenty of room (and plenty of rooms) to keep everyone happy and occupied throughout the day and night – whether

they want to join the party or find a quiet corner to catch up with family gossip – and our evening buffets are just as innovative and mouth-watering as our wedding breakfasts.

EXCLUSIVE USE

Lake Vyrnwy Hotel & Spa make every bride and groom feel special – but if you want real exclusivity, why not talk to us about booking the whole of Lake Vyrnwy Hotel for you and your guests?

Exclusive use provides the most magical canvas for you to plan the perfect wedding experience: your guests can take advantage of the Spa to prepare for the big day (and have a bit of “girlie time” while

they are there!), organise country pursuits to get everyone relaxed and in the mood (a little competition on the clay shooting range is an ideal way to introduce everyone to everyone else), have a pre-wedding dinner overlooking the lake before everyone retires for a good night’s sleep to wake refreshed, relaxed and ready for the big day ahead.

A PLACE TO INDULGE

Think of Lake Vyrnwy as so much more than a wedding venue: your guests can turn their visit into a short break.

Our Spa is the perfect place to unwind and recharge: your guests can enjoy our whirlpool with spectacular views of the lake, de-stress in the sauna or indulge in a luxury treatment.

The Lake Vyrnwy experience also offers the chance to sample the great outdoors: walking, cycling, fishing or clay pigeon shooting.

Our executive head chef has compiled a selection of menus which combine the finest of ingredients to create an array of inspiring dishes with the view to providing perfectly balanced menus from which to make your choice.

Testimonials

...Just a little note to say a very big thank you for making our wedding day so memorable and wonderful. Everything was brilliant and I cannot praise the staff highly enough.

Bev & Tim Vernon

I would like to say a special thank you to all the Lake Vyrnwy team, the beauty of the lake and surroundings really is mirrored in the quality of service we have enjoyed on our stay. We hope you all enjoy some cake; after all, you were all a big part of our day.

Scott & Lauren Wilson

Well, all I can say is wow, what an amazing few days it has been. Special thanks to the wedding coordinators who were just outstanding. They had organised everything perfectly even before I had a chance to worry (or even think) about it!
